

## Extremely Important 2017 Annual Meeting

As a not-for-profit educational foundation, we are guided by our by-laws which require us to hold an annual meeting every fall.

This is always an important meeting. This year, it will be critically important and we strongly urge you to attend.

At our annual meetings, we hear a report on activities for the prior year, plans for the coming year, and elect members to serve for the next year on our Board of Directors.

In addition, this year, we will hear from our landlord who leases us the beautiful piece of paradise we call home.

This year's annual meeting will be held on Saturday, September 16 at 2pm at Lake Edun. In the event of inclement weather, the following Saturday, September 23 at 2pm will be the rain date.

Make plans to participate in this important meeting. It could be critical for the Lake Edun Foundation.
