

## COMING UP

**Coming up:** In two weeks, on August 5, we host another Open House from noon until 2 pm. Spread the word to your friends and colleagues. In all likelihood, some are interested in knowing more about naturism.

The open house will be followed at 3:30 by a camera presentation focused especially on questions of particular interest to naturists. If you a enjoy photography and want to learn how to pursue your hobby better, this can be an extremely helpful session.

In the meantime, keep cool; jump in the lake; and say 'thank you' to someone who aids you.
